

## **TCH Hold Washer**

**Job Role:** Hold Washer

**Job Type:** Permanent, 1 DAY WORKING WEEK – 5 hours

**Salary:** £11.13ph

**Location:** TCH London

**Application Deadline: 30<sup>th</sup> August 2023**

### **About TCH Route Setting:**

Our vision is to inspire happier, healthier more connected people through our route setting. You will be responsible for ensuring the Hangar has a positive impact on people's lives and driving our commercial success by setting incredible boulder problems and making customers feel great. By doing this you will make the world of climbing accessible to as many people as possible, and deliver an exceptional experience.

### **Who is our perfect hold washer?**

- Happy to work hard, lift some baskets and wash a wide variety of holds.
- Someone that doesn't mind a bit of water – it's not a dry job.
- Someone who can work hard with a keen eye for getting the holds back to their former glory.
- High levels of professionalism whilst retaining maximum fun factor.

### **What's in it for you?**

- Opportunity to test and learn the route setting art with the TCH setting team before the climbs are opened to the public.
- Free climbing access to all sites for you and plus one.
- Generous team discounts on food and gear from our cafes & shop

### **Minimum Requirements:**

Someone willing to work hard, be positive and doesn't mind an early start.

**To apply:** Please send CV and cover letter explaining why you think you would be the next greatest setter for The Climbing Hangar to [dan@theclimbinghangar.com](mailto:dan@theclimbinghangar.com)

Interviews/Trials will take place at TCH Exeter - Date to be confirmed.
